The following is said ordinance as passed:

WHEREAS, The City of Chicago, Illinois (the "Issuer"), is a home rule municipal corporation duly organized and validly existing under the Constitution and laws of the State of Illinois, and is authorized and empowered by the provisions of Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"), to finance an industrial development project within the meaning of said Enabling Ordinance; and

WHEREAS, The Issuer is further authorized by the Enabling Ordinance to issue its revenue bonds payable solely from the revenues and receipts derived from such projects, and secured by a pledge of said revenues and receipts and by a mortgage on such projects, and the Enabling Ordinance provides that such revenue bonds shall have a lien on the revenues and receipts derived from such projects; and

WHEREAS, The Issuer proposes to issue and sell its $1,800,000 principal amount Industrial Development Revenue Bond, Series 1980 (Colonial Hospital Supply Co., Inc. Project) (the "Series 1980 Bond"), in order to finance a portion of the cost of the acquisition, rehabilitation and equipping of a facility for warehouse and office purposes (the "Project"), and said Series 1980 Bond will be issued under, secured by and contain such terms and provisions as are set forth in this ordinance (the "Bond Ordinance"); and all of the proceeds derived from the sale of the Series 1980 Bond are to be deposited with The Northern Trust Company, Chicago, Illinois, as fiscal agent for the Issuer (the "Fiscal Agent"), pursuant to a certain Fiscal Agent Agreement, dated as of March 1, 1980, by and between the Fiscal Agent and the Issuer (the "Fiscal Agent Agreement"), and disbursed (i) for the payment of certain of the costs incurred in connection with the acquisition, rehabilitation and equipping of the Project, and (ii) for such other purposes as are set forth herein; and

WHEREAS, Colonial Hospital Supply Co., Inc., an Illinois corporation (the "Borrower") has represented that the cost of the Project will not be substantially less than $1,800,000, and in order to finance a portion of said cost it is necessary and advisable that provision be made for the issuance, sale and delivery of the Series 1980 Bond in the principal amount of $1,800,000, all as authorized and permitted by the Enabling Ordinance; and

WHEREAS, As a result of negotiations between the Issuer and Colonial Hospital Supply Co., Inc., an Illinois corporation (the "Borrower"), wherein the Borrower has represented that contracts have been or will be entered into by the Borrower for the acquisition, rehabilitation and equipping of the Project, which Project is to be owned by the Borrower and located wholly within the corporate boundaries of the Issuer, it is proposed that the Issuer enter into a certain Loan Agreement, as hereinafter defined, with the Borrower pursuant to which the Issuer will lend to the Borrower all of the proceeds derived from the sale of the Series 1980 Bond, constituting a sum represented by the Borrower to be sufficient, together with other moneys of the Borrower, to accomplish the purposes of the Enabling Ordinance, to wit: to finance in whole or in part the cost of acquisition, purchase, construction, rehabilitation, redevelopment or extension of any industrial development project in order to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City; and

WHEREAS, The Issuer proposes to sell the Series 1980 Bond upon a negotiated basis to The Northern Trust Company, Chicago, Illinois (the "Bond Purchaser"); and

WHEREAS, The Borrower has caused to be prepared for the Issuer, and the Issuer has caused to be presented to this meeting, forms of the following instruments which the Issuer now proposes to enter into:

1. The Loan Agreement, dated as of March 1, 1980, by and between the Issuer, as lender, and the Borrower, as borrower,
2. The Pledge and Assignment, dated as of March 1, 1980, from the Issuer, as assignor, to the Bond Purchaser as assignee, and
3. The Fiscal Agent Agreement, dated as of March 1, 1980, by and between the Issuer, as principal, and the Fiscal Agent, as agent for the Issuer; and

WHEREAS, It appears that each of the instruments above referred to which are now before this meeting is in appropriate form and is an appropriate instrument to be executed and delivered by the Issuer for the purposes intended; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Definitions.* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Acquire, Rehabilitate and Equip the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be substantially less than $1,800,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition, rehabilitation and equipping of the Project by the Issuer through a loan of the proceeds of the Series 1980 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1980 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1980 Bond of the Issuer.

The principal of, Premium, if any, and Interest on the Bonds shall be secured by and shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Rights), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the Instruments (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the principal of, Premium, if any, and Interest on the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, Premium, if any, and Interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof. The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to any Owner thereof, or to any duly authorized representative of said Owner, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the Instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf, from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf, on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in such year to pay the principal of, Premium, if any, and Interest on the Series 1980 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an industrial development project within the meaning of the Enabling Ordinance.

SECTION 4. *Description and Details of the Series 1980 Bond.* The Series 1980 Bond shall be issued in fully registered form in the name of the Bond Purchaser, shall be numbered R-1, and shall be in the denomination of $1,800 000. The Series 1980 Bond shall be dated the date of its issuance and delivery, and shall bear Interest on the unpaid principal balance thereof from said date at an annual rate equal to 62.5% of the Prime Rate, but in no event in excess of 30% per annum. Interest on the Series 1980 Bonds shall be payable quarterly on March 31, June 30, September 30 and December 31 of each year until the maturity thereof, commencing on June 30, 1980. The Series 1980 Bond shall mature on March 31, 1992.

The principal of the Series 1980 Bond shall be payable in 48 quarterly installments, on March 31, June 30, September 30 and December 31 of each year beginning June 30, 1980, and ending March 31, 1992, in the amounts as follows:

Dates	*Amounts*	
June 30, 1980 through March 31, 1981	four equal installments of	$12,500
June 30, 1981 through March 31, 1982	four equal installments of	$18,750
June 30, 1982 through March 31, 1992	forty equal installments of	$41,875

Upon payment or prepayment of the principal of the Series 1980 Bond, the Owner thereof shall note such payment on the Schedule of Payments attached thereto and made a part thereof.

The principal of the Series 1980 Bond, and any Redemption Premium and Interest thereon, shall be payable in lawful money of the United States of America at the office of the Owner thereof.

No Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor," as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. The term "Institutional Investor" as used herein means a bank, savings and loan association, insurance company or other financial institution which has a combined capital, surplus and undivided profits of at least $25,000,000. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the Borrower. Each Bond shall bear on the face thereof the legend: "no sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the Bond Ordinance, and then only for the investment account of such Institutional Investor."

SECTION 5. *Prepayment of the Principal of the Series 1980 Bond.* The principal installments of the Series 1980 Bond, over and above the payments required to be paid on a quarterly basis, shall be subject to prepayment at any time, on the occurrence of any of the events set forth in Section 7.1 of the Loan Agreement, by the Issuer at the option of the Borrower in whole (or in the case of prepayment pursuant to any condemnation award, or sale under threat of condemnation, in whole or in part in inverse order of their due dates prior to the stated maturity thereof), but only after giving the notice specified in Section 6 of this Bond Ordinance, at an amount equal to the sum of the following:

(1) an amount of money which will be sufficient to prepay all, or the appropriate portion, of the principal of the Series 1980 Bond to be redeemed on the next applicable redemption date, including, without limitation, all Interest to accrue to said date, the applicable Premium, if any, and the expenses incurred or to be incurred in connection with the prepayment of the indebtedness hereunder and the prepayment of the Series 1980 Bond,

(2) an amount of money equal to the fees, charges and expenses of the Issuer, the Fiscal Agent and the Owner of the Series 1980 Bond, if any, accrued and to accrue until the prepayment date, and

(3) an amount of money sufficient to discharge all other liabilities of the Borrower accrued under the Instruments.

In addition, the principal installments due on the Series 1980 Bond shall be subject to prepayment by the Issuer at the option and written direction of the Borrower at any time, in whole or in part, and if in part then in the inverse order of their due dates and within any installment by lot, but only after giving the notice specified in Section 6 hereof, at the redemption or prepayment price of par plus accrued Interest to the payment date.

Upon the giving of notice to the Owner of the Series 1980 Bond at that time, all or any portion of the Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the Owner of the Series 1980 Bond at that time, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Series 1980 Bond by the Owner thereof at that time, and irrespective of any error or omission in such endorsement.

The Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as such term is defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a Determination of Taxability, the Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the Owner of the Series 1980 Bond at that time, in exchange for cancellation of the Series 1980 Bond, of its own installment note in the principal amount of the Series 1980 Bond Outstanding at that time, bearing Interest at the rate then being charged by the Owner of the Series 1980 Bond at that time for secured industrial loans made to the prime customers of the Owner of the Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the Series 1980 Bond at the Prime Rate, but in no event in excess of 48% per annum for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on the Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein as fully as if such installment note was the Series 1980 Bond issued under this Bond Ordinance; or

(2) by payment of an amount equal to the unpaid principal amount of the Series 1980 Bond, plus accrued Interest to the redemption date, plus a Redemption Premium equal to (i) the amount necessary so that all Persons who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the principal amount of the Series 1980 Bond then Outstanding at the Prime Rate, but in no event in excess of 48% per annum, for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable.

Each Owner of the Series 1980 Bond (or portion thereof) at or subsequent to the time of an "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the Owner of the Series 1980 Bond (or portion thereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of the Series 1980 Bond (or portion thereof) shall have received Interest on the principal amount of the Series 1980 Bond Outstanding during the time of such ownership after the time of the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, at the Prime Rate, but in no event in excess of 48% per annum, for the period elapsed between the "Event of Taxability" and the date on which the principal amount of the Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such Owner of the Series 1980 Bond (or portion thereof) many have had to pay as a result of Interest on the Series 1980 Bond (or portion thereof) being deemed taxable.

SECTION 6. *Notice of Prepayment.* Notice of any prepayment shall be given in the name of the Issuer by the Issuer or the Borrower to the Owners of the Bonds in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Each such notice shall be mailed at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, and shall specify the series and numbers of the Bonds to be prepaid, unless the giving of such notice is waived in writing by the Owners of all of the Bonds to be prepaid. Such notice shall further state that payment will be made upon presentation and surrender of the Bonds to be prepaid (or upon presentation of proof of ownership thereof satisfactory to the Borrower). Notice of any prepayment as herein provided shall be given only after written notification thereof from the Borrower to the Issuer has been given. Failure to give such notice by mailing, or any defect therein, the Owner of any Bond designated for prepayment shall not affect the validity of the proceedings for the prepayment of any other Bond.

SECTION 7. *Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and deliver a replacement Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, to whom proof of ownership of such mutilated Bond shall also be made; provided further that in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, to whom proof of ownership of such lost, stolen or destroyed Bond shall also be made; provided further that in the case of any mutilated, lost, stolen or destroyed Bond, the Issuer and the Borrower shall be provided with indemnity reasonably satisfactory to the Issuer and the Borrower. All Bonds issued in replacement of any mutilated, lost, stolen or destroyed Bond pursuant to the provisions of this Section shall bear an endorsement in substantially the following form: "This Bond Has Been Reissued to Replace a Mutilated, Lost, Stolen or Destroyed Bond Numbered .... and Dated ...., 19....."

SECTION 8. *Persons Treated as Owners.* The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of, Premium, if any, and Interest on any such Bond shall be made only to or upon the order of the Owner thereof, or his duly authorized legal representative, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Subject to the restrictions on transfer provided in Section 4 hereof, title to each Bond is transferable by the Owner thereof or by his attorney duly authorized in writing. Transferees shall be entitled at their request and cost to the issuance of new Bonds. Transfer of title to any Bond shall be effective only upon the giving of the notice required by Section 4 hereof.

The issuance of this Series 1980 Bond has been duly authorized by the Issuer, and this Series 1980 Bond constitutes the entire issue known as the "Industrial Development Revenue Bond, Series 1980 (Colonial Hospital Supply Co., Inc. Project)," of the Issuer in the principal amount of One Million Eight Hundred Thousand Dollars ($1,800,000), authorized for the purpose of financing the acquisition, rehabilitation and equipping of a facility for warehouse and office purposes within the corporate limits of the Issuer (the "Project"), and paying necessary expenses incidental thereto, so as to fulfill the purposes of the Enabling Ordinance, as hereafter defined, to wit: to finance in whole or in part the cost of acquisition, purchase, construction, rehabilitation, redevelopment or extension of any industrial development project in order to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City. This Series 1980 Bond has been issued under the Bond Ordinance, as hereinafter defined, and along with the other bonds which may subsequently be issued under the provisions of the Bond Ordinance, as hereinafter defined, and any ordinance amendatory thereof or supplemental thereto (this Series 1980 Bond and such subsequent bonds being hereinafter collectively referred to as the "Bonds"), are equally and ratably secured as to principal, premium, if any, and interest pursuant to an ordinance duly adopted by the Issuer on ...., 1980 (the "Bond Ordinance"), and are additionally secured by, among other things, a certain Loan Agreement (the "Loan Agreement"), dated as of March 1, 1980, by and between the Issuer, as lender, and Colonial Hospital Supply Co., Inc., an Illinois corporation, as borrower (the "Borrower"), a certain Pledge and Assignment (the "Assignment"), dated as of March 1, 1980, from the Issuer, as assignor, to the Owners of the Bonds, as assignee, a certain Collateral Security Agreement (the "Collateral Security Agreement"), dated as of March 1, 1980, from the Borrower, as pledgor, to the Owners of the Bonds, as pledgee, and a certain Mortgage (the "Mortgage"), dated as of March 1, 1980, from the Borrower, as mortgagor, to the Owners of the Bonds, as mortgagee. Reference is hereby made to the Bond Ordinance, the Loan Agreement, the Assignment, the Collateral Security Agreement and the Mortgage (all of which are hereinafter collectively referred to as the "Instruments") for a description of the Project, the nature and extent of the security for the Bonds, a statement of the terms and conditions upon which the Bonds are issued and secured, the rights of the owners hereof and thereof, and the other matters set forth therein.

A loan of the proceeds of this Series 1980 Bond has been made, pursuant to the Loan Agreement, to the Borrower for the purpose of financing the Project. Pursuant to the Loan Agreement, the Borrower must pay, or cause to be paid, to the Issuer, or its assignee, such amounts as will always be sufficient in the aggregate to pay the principal of, premium, if any, and interest on the Bonds as the same mature and become due; and under the Loan Agreement, it is the obligation of the Borrower to operate and maintain the Project, or to cause the Project to be operated and maintained, in good repair, to keep it, or to cause it to be kept, properly insured, and to pay, or cause to be paid, all taxes, assessments, depreciation charges and other charges levied or assessed against or with respect to the Project.

This Series 1980 Bond is issued under and in full compliance with the Constitution and laws of the State of Illinois, including particularly Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance").

No sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor", as such term is defined in the Bond Ordinance, and then only for the investment account of such institutional investor.

Subject to the preceding paragraph, this Series 1980 Bond may be sold, transferred or assigned by the owner hereof in person, or by his attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance. Upon such sale, transfer or assignment, the purchaser, transferee or assignee hereof shall be entitled, at such purchaser's transferee's or assignee's expense, to the issuance of a new Bond.

The Issuer may deem and treat the party in whose name this Series 1980 Bond is registered as the absolute owner hereof for the purpose of receiving payments of, or on account of, the principal hereof, premium, if any, and interest due hereon, and for all other purposes, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary, except as provided in the Bond Ordinance.

This Series 1980 Bond has been issued in fully registered form without coupons in the denomination of $1,800,000, and constitutes all of the series of the Issuer's bonds known as the "Industrial Development Revenue Bond, Series 1980 (Colonial Hospital Supply Co., Inc. Project)".

The principal installments of this Series 1980 Bond, over and above the payments required to be paid on a quarterly basis, are subject to prepayment at any time, on the occurrence of any of the events set forth in Section 7.1 of the Loan Agreement, by the Issuer at the option of the Borrower, in whole (or in the case of prepayment pursuant to any condemnation award, or sale under threat of condemnation, in whole or in part, and if in part in inverse order of their due dates prior to the stated maturity thereof), but only after giving the notice specified below, at an amount equal to the sum of the following: an amount of money which will be sufficient to redeem this Series 1980 Bond, or a portion hereof (as determined in accordance with the Loan Agreement), on the next applicable redemption date, including, without limitation, the appropriate principal amount hereof, all interest to accrue to said date, the applicable premium, if any, and expenses incurred or to be incurred in connection with the prepayment of the indebtedness evidenced hereby. In addition, the principal installments due on this Series 1980 Bond shall be subject to prepayment by the Issuer at the option of and at the written direction of the Borrower at any time, in whole or in part, and if in part then in the inverse order of their due dates prior to the stated maturity thereof, and within any installment by lot, but only after giving the notice specified below, at the redemption or prepayment price of par plus accrued interest to the redemption date.

Upon the giving of notice to the owner hereof, as described in the next succeeding paragraph, all or any portion of this Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the owner of this Series 1980 Bond, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Schedule of Payments appended hereto, and irrespective of any error or omission in such endorsement.

This Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability", as defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a "Determination of Taxability", as defined in Section 7.3 of the Loan Agreement, this Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the owner of this Series 1980 Bond at that time, in exchange for cancellation of this Series 1980 Bond, of the Borrower's own installment note in the principal amount of this Series 1980 Bond outstanding at that time, bearing interest (based, for actual days elapsed, on a 360-day year, consisting of twelve 30-day months) at the rate then being charged by the owner of this Series 1980 Bond at that time for secured industrial loans made to the prime customers of the owner of this Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability", as defined in Section 7.3 of the Loan Agreement, shall have received interest on this Series 1980 Bond at the Prime Rate, but in no event at a rate in excess of 48% per annum (based, for actual days elapsed, on a 360-day year), for the period of their ownership elapsed between the "Event of Taxability", as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability", as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein, as fully as if such installment note was this Series 1980 Bond issued under the Bond Ordinance; or

(2) by the payment of an amount equal to the unpaid principal amount of the Series 1980 Bond, plus accrued interest to the redemption date, plus a redemption premium equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability", as defined in Section 7.3 of the Loan Agreement, shall have received interest on the principal amount of this Series 1980 Bond at the Prime Rate, but in no event at a rate in excess of 48% per annum (based, for actual days elapsed, on a 360-day year), for the period of their ownership elapsed between the "Event of Taxability", as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability", as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable.

Each owner of this Series 1980 Bond (or portion hereof) at or subsequent to the time of an "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the owner of this Series 1980 Bond (or portion hereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of this Series 1980 Bond (or portion hereof) shall have received interest on the principal amount of this Series 1980 Bond which was outstanding during the time of such ownership after the time of the "Event of Taxability", as such term is defined in Section 7.3 of the Loan Agreement, at the Prime Rate, but in no event at a rate in excess of 48% per annum (based, for actual days elapsed, on a 360-day year, consisting of twelve 30-day months), for the period of such ownership elapsed between the "Event of Taxability", as such term is defined in Section 7.3 of the Loan Agreement, and the date on which such principal amount of this Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such owner of this Series 1980 Bond (or portion hereof) may have had to pay as a result of interest on this Series 1980 Bond (or portion hereof) being deemed taxable.

The amounts referred to in the preceding two (2) paragraphs shall constitute the total compensation due any owner of this Series 1980 Bond (or portion hereof) as a result of an "Event of Taxability", as defined in Section 7.3 of the Loan Agreement.

In the event any principal over and above the principal required to be paid on a quarterly basis is intended to be prepaid as aforesaid, notice thereof identifying the amount of principal to be prepaid shall be given in the name of the Issuer by the Borrower or the Issuer by mailing (by certified or registered mail, postage prepaid, return-receipt requested) a copy of the prepayment notice at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, to the owner of each Bond (or portion thereof) to be prepaid at the address furnished to the Issuer and the Borrower in writing by such owner, unless such notice is waived by the owners of all of the Bonds to be prepaid; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the prepayment of principal with respect to which no such failure has occurred. The unpaid portions of the Bonds shall continue to bear interest until paid. Payment will be made upon presentation and surrender of the Bonds to be prepaid.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default", as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the Bonds then outstanding, and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, on the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the Issuer, the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Illinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It Is Hereby Certified, Recited And Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1980 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. Neither the officers of the Issuer nor any person executing the Bonds shall be personally liable on the Bonds solely by reason of the issuance thereof.

The Fiscal Agent shall keep and maintain adequate records pertaining to the Acquisition Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1980 Bond until completion of the Project, as such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement. As soon as is practicable, and in any event not more than sixty (60) days from the date of the certificate referred to in the preceding sentence, any balance remaining in the Acquisition Fund, other than the amounts retained by the Fiscal Agent for the Cost of the Project not then due and payable (said balance being referred to in the Loan Agreement as "Surplus Acquisition Fund Money"), shall be applied as provided in Section 3.3(k) of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Acquisition Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amounts received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan of credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the principal of, Premium, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer covenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provided herein or therein.

(d) Any Net Proceeds or condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the termination of the Loan Agreement, or any other funds intended for the purpose of paying the principal of, Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the principal of, Redemption Premiums, if any, and Interest on Bonds then subject to prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to prepay principal on the Bonds over and above the principal required to be paid on a quarterly basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of this Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement or the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement. The Borrower will also pay, or cause to be paid, as provided in the Loan Agreement, all lawful taxes, assessments and charges at any time levied or assessed upon or against the Project, or any part thereof, failure to pay which might impair or prejudice the lien and priority of the Instruments; provided, however, that nothing contained herein shall require the payment of any such taxes, assessments or charges if the same are not required to be paid under the provisions of the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend to the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be affected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be, and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 29 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or principal which has not been paid according to the terms of said Bonds. The Owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default," shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Upon such occurrence and giving of written notice to the Borrower, the Issuer and the other Owners of Bonds then Outstanding by the representative selected by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, or (if no such representative is selected) by the Owners of a majority in principal amount of Bonds then Outstanding, such representative or (if no such representative is selected) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may, by notice in writing delivered to the Issuer, the Borrower and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then outstanding, and the Interest accrued thereon, to be due and payable immediately without presentment, demand, protest or other notice of any kind, all of which are hereby waived; and upon any such declaration the same shall become and be immediately due and payable. The right of a majority in aggregate principal amount of the Owners of the Bonds to select a representative to make any such declaration as aforesaid, or to themselves make such declaration, however, is subject to the condition that if, at any time after such declaration, all overdue installments of Interest upon the Bonds, and the principal of all Bonds which shall have matured by their terms, together with the reasonable and proper charges, expenses and liabilities of the Owners of the Bonds, the Fiscal Agent and the Issuer, shall either be paid by or for the account of the Issuer, or provision satisfactory to the Owners of the Bonds, the Fiscal Agent and the Issuer shall be made for such payment, and the Real Property and the Personal Property shall not have been sold as provided in this Bond Ordinance, the Mortgage and the Collateral Security Agreement, and all other existing defaults shall have cured, then, and in every such case, any such default and its consequences shall, *ipso facto*, be deemed to be annulled, but no such annulment shall extend to or affect any other default, or impair or exhaust any right or power consequent thereon.

The Issuer hereby grants to the Borrower full authority for the account of the Issuer to perform any covenant or obligation, the non-performance of which is alleged in any notice received by the Borrower to constitute an event of default, in the name and place of the Issuer, with full power to do any and all things and acts to the same extent as the Issuer, and perform any such things and acts with the power of substitution.

For purposes of this Section, notice shall be deemed to have been given if given in the manner required by Section 9.1 of the Loan Agreement for the giving of notices thereunder.

SECTION 23. *Foreclosure and Enforcement of Remedies.* Upon the happening and continuance of any event of default, and the giving of notice to the Borrower, the other Owners of the Bonds then Outstanding, and the Issuer (as provided in Section 22 hereof) by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative), then and in every case the Owners of a majority in principal amount of the Bonds then Outstanding (or their representative) may proceed to protect and enforce the rights of all Owners of Bonds then Outstanding forthwith by such suits, actions or special proceedings in equity or at law, or proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Bonds or the Instruments, or in aid of the execution of any power granted herein, therein or in the Enabling Ordinance, or for the enforcement of any legal or equitable rights or remedies, including the sale of all or any part of the Project, subject to statutory requirements, if any, to the highest bidder, and all right title and interest, claim and demand therein and thereto, and all right of redemption thereof, as the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall determine.

In the enforcement of any right or remedy under the Instruments or the Enabling Ordinance, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall be entitled to sue for, enforce payment on and receive any and all amounts then due and unpaid or becoming due from the Issuer to the Owners of all of the Bonds then Outstanding, for principal, Interest, Premium or otherwise under any provision of the Instruments, the Enabling Ordinace or the Bonds, with Interest on overdue payments at an annual rate equal to two percent (2%) per annum above the Prime Rate, but in no event at a rate in excess of 50% per annum, together with any and all costs and expenses of collection and of all proceedings hereunder and thereunder, without prejudice to any other right or remedy of the Owners of all of the Bonds then Outstanding, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and therein, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys available for said purpose), in any manner provided by law, the moneys adjudged or decreed to be payable.

SECTION 24. *Application of Revenues and Receipts After Default.* All moneys received by the Owners of the Bonds pursuant to any right given or action taken under the provisions of this Bond Ordinance shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money, and of the expenses, liabilities and advances incurred or made by the Owners of the Bonds, be applied to the payment of the Bonds in such manner as the Owners of all of the Bonds may determine, or in the absence of such a determination pro rata.

Whenever the principal of all of the Bonds, and the Premium if any, and Interest thereon, shall have been paid under the provisions of this Section, and all expenses and charges of the Owners of the Bonds, the Fiscal Agent and the Issuer shall have been paid, any balance remaining shall be paid to or upon the order of the Borrower.

SECTION 25. *Waivers of Events of Default; Actions by the Owners of the Bonds.* The Owners of a majority in aggregate principal amount of the Bonds then Outstanding may waive any event of default hereunder upon payment of all amounts in default, and after all other defaults have been cured. All rights of action under the Instruments or the Bonds may be enforced by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding without the production thereof at any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding shall be brought in their respective names without the necessity of joining as a party plaintiff or defendant the Issuer, and any recovery of judgment will be for the equal benefit of all of the Owners of the Bonds.

SECTION 26. *Bondowner Rights not Impaired.* Nothing contained in the Instruments shall affect or impair the right of any Owner of any Bond to the payment of the principal of, Redemption Premium, if any, and Interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, Redemption Premium, if any, and Interest on each of the Bonds to the respective Owners thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

SECTION 27. *Effect of Discontinuance of Proceedings.* If any proceeding taken by the Owners of the Bonds on account of any event of default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners of the Bonds, then and in every such case, the Borrower, the Issuer and the Owners of the Bonds shall be restored, respectively, to their former obligations and rights hereunder.

SECTION 28. *Remedies Not Exclusive; Delay or Omission.* No remedy by the terms of the Instruments conferred upon or reserved to the Owners of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Instruments, or now or hereafter existing at law or in equity.

No delay or omission of the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding to exercise any right or power arising upon any event of default shall impair any right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by the Instruments to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding.

SECTION 29. *Bondowners Control Proceedings.* Subject to the provisions of Section 26, anything in the Instruments to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing, executed and delivered, effective upon deposit in the mail if sent by registered or certified mail, to the Issuer and the Borrower, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Instruments, and for the appointment of a receiver or any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Ordinance.

SECTION 30. *Acceleration in the Event of Default.* In the event that the principal of, Premium, if any, or Interest on the Bonds herein authorized is not paid according to the terms hereof and thereof, either on maturity, mandatory prepayment, call for redemption or the occurrence of an event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, may, in accordance with the provisions of Section 10 of the Assignment, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then Outstanding to be immediately due and payable; and upon such declaration given as aforesaid, the principal of, Premium, if any, and accrued Interest on said Bonds shall be immediately due and payable. This provision, however, is subject to the condition that if at any time thereafter all arrears of Interest, except Interest accrued but not due, and of principal shall have been paid in full, then in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, may rescind and annul such declaration and its consequences, but no such recission or annulment shall extend to or affect any other event of default, or impair any rights consequent thereon.

SECTION 31. *Defeasance.* If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds, or their representatives, the principal of, Redemption Premium, if any, and Interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and this Bond Ordinance, and if all other amounts due under the Instruments are paid in full, then the pledge and assignment of any revenues and receipts from or in connection with the Project under the Instruments, and the estate and rights hereby and thereby granted, and all covenants, agreements and other obligations of the Issuer to the Owners of the Bonds, shall thereupon cease, terminate, become void and be discharged and satisfied. In such event, the Owners of the Bonds shall cancel and discharge the lien of the Instruments, and shall execute and deliver to the Issuer and the Borrower, and record in all offices appropriate therefore, all such instruments as may be appropriate to satisfy such lien and to evidence such discharge and satisfaction; and the Fiscal Agent, the Issuer and the Owners of the Bonds shall pay over and deliver to the Borrower or its order all moneys or securities held by them or their representative pursuant to this Bond Ordinance which are not required for the payment of the principal of, Redemption Premium, if any, or interest on the Bonds not theretofore paid or redeemed and all other amounts due under this Bond Ordinance.

All Bonds paid or redeemed in full shall be returned to the Issuer for cancellation prior to their delivery to the Borrower.

SECTION 32. *Provisions Relating to the Fiscal Agent.*

(a) The Fiscal Agent shall signify its acceptance of its duties and obligations under the Instruments by its execution of the Fiscal Agent Agreement. All provisions of this Section shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Fiscal Agent under the Instruments, as fully for all intents and purposes as if this Section were contained therein

(b) (i) The Fiscal Agent shall have no responsibility for the validity or sufficiency of the Instruments, or the security provided hereunder and thereunder, or for the due execution hereof and thereof by the Issuer and the other parties thereto, or in respect of the title to or the value of the Project, or in respect of the validity of any Bonds issued hereunder, or to see to the recording or filing of the Mortgage, any financing statement or any other document or instrument whatsoever. The recitals, statements and representations contained in this Bond Ordinance and in the Bonds shall be construed as having been made by and on behalf of the Issuer, and not by and on behalf of the Fiscal Agent, and the Fiscal Agent does not assume any responsibility for the correctness of the same.

(ii) The Fiscal Agent shall not be liable or responsible for the failure of the Issuer to perform any act required of it by the Instruments, or for the loss of any moneys arising through the insolvency or the act, default or omission of any depository other than itself in which such moneys shall have been deposited under the Instruments. The Fiscal Agent shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with the Instruments, or for any loss resulting from any such investment. Notwithstanding any other provision contained herein or in the other Instruments, the Issuer shall not be liable or responsible for the disposition by the Fiscal Agent of the proceeds of the Bonds, provided that the Issuer shall have properly caused the same to be deposited with the Fiscal Agent. The Fiscal Agent shall not be liable in connection with the performance of its duties under the Instruments, except for its own gross negligence or bad faith. The immunities and exemptions from liability of the Fiscal Agent contained herein shall extend to its directors, officers, employees and agents.

(iii) The Fiscal Agent, prior to the occurrence of an event of default hereunder, and after the curing of all events of default which may have occurred, undertakes to perform only such duties as are specified to be performed by the Fiscal Agent as set forth in the Instruments.

(c) The Fiscal Agent shall be entitled to receive and collect from the Borrower payment or reimbursement for reasonable fees for services rendered under the Instruments, and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection herewith and therewith. Before taking any action hereunder or thereunder, the Fiscal Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put, and to protect it against all liability, except liability which has resulted from its own gross negligence or bad faith by reason of any action taken or omitted.

(d) The Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Instruments, upon any ordinance, resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper Person, or to have been prepared and furnished pursuant to any provision of the Instruments, or upon the written opinion of Independent Counsel or Bond Counsel, or an Independent Engineer, appraiser or accountant believed in good faith by the Fiscal Agent to be qualified in relation to the subject matter.

(e) The Fiscal Agent may resign and thereby become discharged of its duties under the Instruments by notice in writing given to the Issuer, the Owners of the Bonds and the Borrower, but such resignation shall only take effect upon the appointment of a successor fiscal agent pursuant to subsection (f) of this Section 32.

The Fiscal Agent may be removed at any time by an instrument or concurrent instruments in writing, filed with the Fiscal Agent, the Issuer and the Borrower, and signed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding. The Fiscal Agent shall promptly give notice of its receipt of such filing to the Issuer, the Borrower and the other Owners of the Bonds.

(f) If at any time the Fiscal Agent shall resign, be removed, be dissolved or otherwise become incapable of acting in such capacity, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof or of its property shall be appointed, or if any public officer shall take charge or control of the Fiscal Agent or of its property or affairs, or if the position of Fiscal Agent shall become vacant for any other reason, the Issuer shall, upon giving notice to the Borrower and the Owners of the Bonds, appoint a successor Fiscal Agent to fill such vacancy.

(g) Any business entity into which the Fiscal Agent may be merged or converted, or with which it may be consolidated, or any business entity resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any business entity to which the Fiscal Agent may sell or transfer all or substantially all of its assets, provided such business entity shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States of America, and authorized to conduct a banking or trust business in the State, and authorized by law to perform all the duties imposed upon the Fiscal Agent by the Instruments, shall be the successor to such Fiscal Agent without the execution or filing of any paper, or the performance of any further act, except that the Issuer shall give notice of such to the Borrower and the Owners of the Bonds.

SECTION 33. *Issuance of Additional Bonds.* As long as no event of default is occurring, the Issuer, at the written request of the Borrower, subject to the prior written approval of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, which approval will not be unreasonably withheld, and to the extent permitted by law in effect at the time thereof, shall use its best efforts to issue Additional Bonds on a parity with the Series 1980 Bond and any Additional Bonds theretofore or thereafter issued for the purposes specified in Section 3.2 of the Loan Agreement. Before any Additional Bonds are issued, there shall be delivered to the Fiscal Agent and the Owners of the Bonds the items required as a prerequisite thereto by Section 34 hereof.

Additional Bonds shall be issued in such series and principal amounts, shall be dated, shall be numbered, shall bear interest at such rates, shall be subject to redemption at such times an prices, and shall mature in such years as the ordinance amendatory hereof and supplemental hereto authorizing the issuance thereof shall fix and determine.

SECTION 34. *Delivery of Additional Bonds.* Upon the execution and delivery in each instance of an appropriate ordinance amendatory hereof and supplemental hereto, the Issuer shall issue, execute and deliver to the purchasers thereof such Additional Bonds as hereinafter in this Section 34 provided. Prior to the delivery of any Additional Bonds, there shall be filed with the Fiscal Agent and the Owners of the Bonds:

(a) A valid and effective amendment to the Loan Agreement, pursuant to Section 3.2 thereof, providing for the inclusion within the Project of any real and personal properties (or interests therein) to be acquired by purchase or construction from the proceeds of the Additional Bonds, and providing for an increase in the obligations of the Borrower under Section 4.2 of the Loan Agreement.

(b) A valid and effective amendatory or supplemental ordinance providing for the issuance of such Additional Bonds, and subjecting to the lien of the Instruments, as appropriate, any and all real estate and interests therein, and any buildings, structures, facilities, machinery, equipment, fixtures and related property, and interests therein (whether real, personal or mixed), acquired by purchase or construction from the proceeds of such Additional Bonds, and pledging and assigning the additional amounts payable under the Loan Agreement to the payment of the Bonds.

(c) A duly certified copy of a valid and effective amendatory or supplemental ordinance authorizing such amendment to the Loan Agreement and the Assignment, and the issuance of such Additional Bonds.

(d) The proceeds of such Additional Bonds shall be paid over to the Fiscal Agent and deposited to the credit of the Acquisition Fund as provided in Section 13 hereof (or to such other trust funds as are provided and created by the amendatory or supplemental ordinance).

(e) A certificate signed by the Authorized Borrower Representative to the effect that no event of default is occurring or will result from the issuance of such Additional Bonds.

(f) An opinion of Bond Counsel to the effect that the issuance of such Additional Bonds will not affect the tax-exempt status of all Bonds then Outstanding.

SECTION 35. *Authorization and Confirmation of the Sale of the Series 1980 Bond.* The sale of the Series 1980 Bond to the Bond Purchaser at a price of 100% of the principal amount thereof, pursuant to the form, terms and provisions of this Bond Ordinance, is hereby approved and confirmed.

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, Assignment and Fiscal Agent Agreement as executed.

SECTION 37. *Execution of Other Instruments and Certificates.* The Mayor and the City Clerk, for and on behalf of the Issuer, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Instruments by the parties thereto, the performance of all obligations of the Issuer under and pursuant to the Instruments, the execution and delivery of the Bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Bond Ordinance and the other Instruments. The Mayor, the City Clerk and the City Comptroller of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, construction and equipping of the Project, and, by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledge created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its convenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedness, or issue any evidences of indebtedness other than the Bonds herein authorizing secured by a lien on or pledge of such revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular, the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto,* and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The Mortgage, or an appropriate summary thereof, shall be recorded in the real property records of Cook County, Illinois, and/or in such other office or offices as may be at the time provided by the laws of the State as the proper place or places for the recordation thereof. The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the personal property constituting a part of the Project, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. The Mortgage shall be rerecorded and re-indexed by the Borrower whenever, in the opinion of Independent Counsel, such action is necessary to preserve the lien hereof and thereof; and, in addition, such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details, of such filing, recording or other act, and specifying any re-recording or re-filing to be effected in the future with respect to the security interests required to be created hereby.

SECTION 42. *Taxes, Charges and Assessments.* Pursuant to Section 5.7 of the Loan Agreement, the Borrower has agreed to promptly pay, or to cause to be promptly paid, all lawful taxes, assessments, imposts and governmental charges at any time levied or assessed upon or against the Project, or any part thereof, which might impair or prejudice the lien and pledge created by the Instruments; provided, however, that nothing contained in this Section shall require there to be paid any such taxes, assessments, imposts or charges as long as the validity thereof is being contested in accordance with Section 5.8 of the Loan Agreement, in good faith and by appropriate legal proceedings;

and provided further that such delay in payment shall not subject the Project or any part thereof to forfeiture or sale. Nothing contained herein or in the other Instruments shall be construed as exempting the property of the Borrower or any other Person from the application of the Issuer's power of eminent domain, prohibiting the application of any law or regulation, or obviating any obligation of the Borrower or any other Person to any lawful tax or special assessment.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an industrial development project within the meaning of the Enabling Ordinance.

Pursuant to Section 5.9 of the Loan Agreement, the Borrower has agreed to keep, or to cause to be kept, at all times while the Bonds are Outstanding, the Project insured against such risks as are customarily insured against by businesses of like size and type as the Borrower.

SECTION 44. *Rights Under Loan Agreement.* The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, as pledgees and assignees of certain revenues and receipts derived from the Loan Agreement under the Assignment, in their respective names or in the name of the Issuer, shall, subject to the provisions thereof, have the legal power to exercise all of the rights, powers and privileges of the Issuer under the Loan Agreement, including the right to enforce all of the obligations of the Borrower thereunder.

SECTION 45. *Provisions of this Bond Ordinance Separable.* The provisions of this Bond Ordinance are hereby declared to be separable; and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions hereof.

SECTION 46. *Covenants, Stipulations, Obligations and Agreements of the Issuer.* All covenants, stipulations, obligations and agreements of the Issuer contained in the Instruments shall be deemed to be the covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall be binding upon the Issuer and its successors from time to time, and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law; and, except as otherwise provided in this Bond Ordinance or in the other Instruments to which the Issuer is or is to be a party, all rights, powers and privileges conferred, and duties and liabilities imposed, upon the Issuer by the provisions of this Bond Ordinance or of the other Instruments shall be executed or performed by the Issuer or by such officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement contained in the other Instruments shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Issuer, nor shall any officer executing the Bonds be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 47. *Small Issue Election.* The Issuer hereby elects to have the provisions of Section 103(b)(6)(D) of the Code applied to the Series 1980 Bond approved and authorized pursuant to this Bond Ordinance, and the Mayor and the City Clerk of the Issuer are hereby authorized, empowered and directed to take any and all such further action required to implement and effectuate such election, including, without limitation, the preparation and filing of such statements or other documents as may be deemed by them to be necessary or advisable in order to comply with the procedures set forth in Section 1.103-10(b)(2)(vi) of the Regulations; and all acts heretofore taken by them in this connection are hereby ratified and confirmed.

SECTION 48. *Conflicting Resolutions and Ordinances.* All resolutions and ordinances in conflict herewith are hereby repealed to the extent of such conflict. Notwithstanding the foregoing sentence, the initial ordinance of the Issuer with respect to the Project adopted on February 29, 1980, shall not be repealed either in whole or in part.

SECTION 49. *Effective Date.* This Bond Ordinance shall take effect and be in force from and after its adoption.

Whereas, the Federal Highway Administration and the Urban Mass Transportation Administration are authorized under 23 U.S.C. 103(e) (4) to approve the use of funds made available by the request for withdrawal of certain nonessential Interstate highway routes from the Interstate System for substitute highway or nonhighway public mass transit projects; and

Whereas, the State of Illinois and the City of Chicago have concurred on the use of such funds available from the Interstate System Withdrawal and Substitution Program; and

Whereas, the Department of Transportation of the State of Illinois, under Chapter 121, Article 4-409, may enter into a written contract with any other highway authority for the jurisdiction, maintenance, administration, engineering or improvement of any highway or portion thereof; and

Whereas, the State, and the City, in the interests of the safe and efficient movement of vehicular traffic, find it necessary to improve Ashland Avenue, FAU Route 2853, from Roosevelt Road to Lake Street: said improvement to consist of widening, resurfacing, channelizing and reconstructing in part, Ashland Avenue from Roosevelt Road to Lake Street, widening the roadway from its present width of 62 feet between Roosevelt Road and the Eisenhower Expressway to 70 feet between intersections and 80 feet at the intersections and from its present width of 70 feet between the Eisenhower Expressway and Lake Street to a uniform roadway width of 80 feet; and

Whereas, City as owner and operator of Chicago-O'Hare International Airport (hereinafter referred to as "Airport") desires to promote and accommodate air commerce and air navigation; and

Whereas, City deems it necessary, for such promotion and accommodation of air commerce and air navigation, that a convenient and efficient method of self-service passenger baggage handling be placed in service for the transport of such baggage to and from ticketing buildings, parking, baggage claim and concourse; and

Whereas, City deems a baggage cart rental system to be an efficient and convenient method of such transportation; and

Whereas, City and Concessionaire desire to enter into a Concession Agreement to provide a combination baggage cart and baby stroller rental system by means of coin and currency operated vending islands;

Now, therefore, the parties for, and in consideration of, the covenants and conditions hereinafter contained to be kept and performed by the respective parties hereto, Do Mutually Agree As Follows:

Section 1. *Section Headings*. The section headings appearing herein shall not be deemed to govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of this agreement.

Section 2. *Location of Vending Islands.*

(a) Concessionaire hereby agrees to install and service vending islands and carts as listed on Appendix A, attached to this agreement and by this reference made a part hereof, at Chicago-O'Hare International Airport, domestic and international areas.

(b) Concessionaire and the Commissioner of Aviation (hereinafter called "Commissioner") hereby agree to consider and evaluate in the light of future needs and the provision of this agreement each new addition to the airport for a similar service in that section by Smarte Carte, Inc.

(c) The locations listed in Appendix A shall only be subject to change, physical alterations, or actual relocation if the Commissioner finds that such is reasonably necessary due to terminal building remodeling or reconstruction or operational problems which were unforeseen at the inception of this contract. Should the Commissioner require any such change, he shall require such in writing and every reasonable effort must be made to provide Concessionaire with a suitable alternative site, which site Concessionaire will have the option of accepting or rejecting. Any actual physical relocation is to be effectuated by the Concessionaire, which will assume any cost incurred.

(d) Concessionaire may in turn request that the Commissioner allow for additional service vending islands or the removal or relocation of those formerly approved, provided that such requests are accompanied by precise floor plans detailing said proposals and the reason(s) for such changes. No changes are to be made, however, until approved in writing by the Commissioner.

(e) Any changes in the number or locations of service vending islands are to be documented on a revised Appendix A to be submitted to the Commissioner within thirty (30) days of such change or changes.

SECTION 3. *Term of Agreement.* This concession agreement will be for an initial period of three (3) years, commencing on the day of installation. Concessionaire is to install equipment approximately 120 days following approval of the agreement by the City Council of the City of Chicago. Concessionaire agrees to notify the Commissioner in writing as soon as such installation has been completed, stating the date of completion. Termination of agreement may be effected by the City as indicated in Section 12 herein.

City reserves the unilateral right and option to extend this agreement for two (2) additional terms of three (3) years each upon the terms and conditions mutually satisfactory to both parties by ninety (90) days written notice prior to the expiration of the then current term, if in the sole opinion of City, Concessionaire's performance hereunder has been adequate, courteous, safe and efficient in every respect, and the public interest has been well served.

Concessionaire shall have the option to withdraw from this agreement at the end of each three (3) year term, provided that at least one year's prior written notice of the exercise of such option is given to the Commissioner of Aviation and City Comptroller.

Section 4. *Compensation for Concession Rights.*

(a) *Minimum and Percentage to be Paid.* For and in consideration of City's executing this concession agreement and granting the rights herein enumerated, Concessionaire shall pay to City as compensation therefore during the initial term of the concession agreement a minimum monthly rental based upon the total number of service vending islands multiplied by $15.00, or 10% of the gross monthly receipts derived from Concessionaire's business operations at airport, whichever is the greater.

The term "gross monthly receipts" is hereby defined as the total amount of legal monies collected from the service vending islands or receipts from the service vending islands, less any sales tax which may be applicable to said gross receipts from the service vending islands installed pursuant to this agreement and any bona fide refunds.

The minimum monthly rental for each of the two three (3) year option periods shall be based on 80% of the average monthly rental paid to the City during the last two (2) years of the term immediately preceding.

(b) *Schedule of Payments.* Concessionaire shall pay each month in advance to the City Comptroller of the City of Chicago (hereinafter called "City Comptroller") the minimum monthly rental described above.

Concessionaire, within fifteen (15) days of the end of each calendar month, shall pay to the City Comptroller a sum equal to the hereinabove described percentages of gross receipts for said calendar month less the amount prepaid as minimum rent for that month.

Additional payments, required by adjustments, if any, for rentals payable in excess of amount paid as required above shall be made concurrent with the submission of the annual "Statement of Sales and Rents" required by paragraph (d) immediately hereinbelow.

(c) *Records of Tenant.* Concessionaire shall, with respect to business done by it in said luggage cart and baby stroller operation, keep true and accurate accounts, records, books and data, which shall, among other things, show all rentals received and, also the gross receipts of said business, and the aggregate amount of all rentals and of all Concessionaire business done in the various service vending islands. All records and methods of accounting used by Concessionaire shall first be approved by the City Comptroller.

Concessionaire further agrees to maintain an adequate and reasonable system of internal control to insure that cart rentals are properly reported to the City. The internal controls should include features normally employed by well managed retailers. The internal control procedure must be described by the Concessionaire in writing and submitted for approval to the City Comptroller prior to the effective date of this agreement. Any changes to the internal control system must be reported for approval to the City Comptroller in writing thirty (30) days prior to the effective date of change. The City Comptroller has the authority to require additional internal controls or procedures as he deems appropriate.

(d) *Books, Records, and Audits.* Concessionaire shall maintain at its office in Chicago or make available in Chicago: its books, ledgers, journals, accounts and records wherein are kept all entries reflecting its operations at the airport under this agreement. Such books, ledgers, journals, accounts and records shall be available for inspection and examination by the Commissioner of Aviation and the Comptroller of the City of Chicago, or their duly authorized representatives upon request, at reasonable times during business hours, and to make copies of all or excerpts therefrom as may be necessary to make a full, proper and complete audit of all business transacted by Concessionaire in connection with its operation hereunder.

Such books, ledgers, journals, accounts and records shall be maintained during the term of this agreement and for one (1) year after the termination and expiration thereof, and until such further time as City Comptroller shall give written consent to the disposal of those materials recording all transactions at, through, or in any way connected with the operation of its concession at airport.

Within 120 days of the signing of this lease, Concessionaire shall furnish City with a written statement including Concessionaire's election to report either on a "calendar year" or "fiscal year" basis. Such letter shall explain Concessionaire's fiscal year if so elected. Within 120 days after the close of each calendar or fiscal year, as previously elected, or the termination of the agreement through passage of time or otherwise, Concessionaire will provide the City with a "Statement of Rents" representing baggage cart and baby stroller rents by month for the period being reported on, together with an opinion thereon of an independent certified public accountant. Concessionaire must inform City of the identity of the independent certified public accountant prior to the close of such calendar or fiscal year and such independent certified public accountant must be approved by the City.

The following opinion would satisfy these requirements:

"We, a firm of independent certified public accountants, have examined the accompanying statement of rents reported to the City of Chicago by Smarte Carte, Inc., for the year ending .... relating to the coin-operated baggage cart and baby stroller concession at Chicago-O'Hare International Airport pursuant to a lease between the City of Chicago and Smarte Carte, Inc., dated .... Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we consider necessary in the circumstances.

In our opinion, the accompanying statement of rents showing a gross total of the monthly baggage cart and baby stroller receipts of .... presents fairly the amount of gross monthly baggage cart and baby stroller rents as defined in the agreement for year ending ...."

If the opinion of the independent certified public accountant is qualified, or conditional in any manner, the City Comptroller may cause an audit to be performed at Concessionaire's expense.

Concessionaire shall, upon request, furnish such other further financial or statistical reports or data as the City may, from time to time, require.

Section 5. *Improvements, Equipment, Fixtures and Facilities.*

(a) All improvements, fixtures, equipment and facilities necessary for installation of any thing necessary or incident to the baggage cart rental operation of Concessionaire or any alterations thereof, additions thereto or relocations thereof, shall be supplied and installed by Concessionaire at its own expense after being detailed in writing to, and approved by, the Commissioner, except as noted below.

1. City is to provide small curb ramps of asphalt or concrete in walkways leading around airport and to and from parking areas at its own expense;

2. City is to remove any and all existing baggage carts or baby strollers currently provided by City or others in the terminals;

3. City is to provide small office area to allow recharging of batteries and installation of a phone to allow contact with operators. The area would also allow receipt of any complaints and a secure area for money handling.

(b) In connection with the installation and construction of the improvements, equipment, fixtures and facilities authorized in subparagraph (a) above:

1. Such improvements, equipment, fixtures and facilities, including the plans and specifications therefor and the installation thereof, shall conform in all respects to the applicable statutes, ordinances, building codes, rules and regulations of the City of Chicago, or any subdivision thereof, and such other governmental or administrative authority as may have jurisdiction;

2. Concessionaire, at its own expense, shall procure all permits and licenses necessary for any construction and/or installation work except as is otherwise herein required to be provided by City;

3. Concessionaire shall require in its contracts with the contractors, if any, performing such installation and/or construction work that such contractors shall comply with all applicable Federal, State, County or City statutes, ordinances, codes, rules and regulations;

4. City shall not be liable for any and all claims of any nature whatsoever arising as a result of the installation and/or construction of the improvements, equipment, fixtures and facilities herein authorized under paragraph (a) above. Concessionaire shall cause any and all liens that may be filed by mechanics or material men against the premises in which said improvements, equipments, fixtures and facilities are installed to be satisfied and released of record in the office of the County Recorder of Cook County of Illinois. Concessionaire reserves the right to contest an invalid lien until finally adjudicated.

Section 6. *Vending Charges.* Each vending unit is to be equipped to accept one dollar bills and coins.

Section 7. *Ownership of Improvements.* Title to all improvements, equipment, fixtures and facilities installed, constructed and placed in and about airport's terminals, together with all additions and alterations thereto made during the term of the concession agreement by the Concessionaire shall remain in the Concessionaire but upon the expiration of the term hereof, title to said improvements, equipment, fixtures and facilities shall vest in City, subject however to the right of City to require Concessionaire, at its expense, to remove the whole or any portion of said improvements, equipment, fixtures and facilities and restore the premises wherein the same were installed, or the affected portions thereof, to its original condition, reasonable wear and tear excepted, except items listed under Section 5(a) above. Any other provision contained herein notwithstanding Section 7 of this agreement shall not be deemed to apply to baggage carts or portable vending units for the dispensing of same, which shall at all times remain the property of Concessionaire; nor shall this section apply to any of the ramps installed under Section 5(a) 1.

Section 8. *Maintenance of Improvements, Equipment, Fixtures and Premises.* Concessionaire, at its own expense and cost, shall maintain the improvements, equipment, fixtures and facilities, together with the areas wherein the same are installed, in good condition and repair and in compliance with all requirements of, Federal, State, County or City laws. Concessionaire shall also maintain all of the areas assigned to it and vending machine in a neat, and clean condition, free from all litter, trash, scrap paper and similar debris, and perform all such painting and repair work as is necessary to maintain said areas in an attractive and aesthetically pleasing condition. Floor maintenance, sweeping, washing, waxing shall remain the responsibility of City, provided a minimum of four inch legs elevate the unit for this purpose or unit is moveable.

Section 9. *Quality of Concession Service.*

(a) Concessionaire shall at all times during the term of the concession agreement maintain in full force and effect all governmental permits and licenses, State, County, City or Federal, required for the operation of the business conducted under this concession agreement, such licenses to cover not only Concessionaire but also all its agents, employees or representatives required by law to be licensed to transact such business;

(b) All personnel employed by Concessionaire while on duty shall wear identification name tags;

(c) Concessionaire shall employ a sufficient number of personnel for the following purposes:

(1) Such number of employees as shall be necessary to maintain and keep in good operating condition all of the baggage cart vending islands, and

(d) Concessionaire shall designate a responsible employee out of each shift of its employees on duty at the airport who shall be in charge of the concession business authorized herein. Such employee shall, during his shift, be responsible for the proper conduct of the employees on duty and the efficient and courteous transaction of the business herein authorized;

(e) All employees of Concessionaire shall at all times while on duty conduct themselves with exemplary demeanor, shall be courteous and polite to the public and patrons, and shall not indulge or engage in any raucous or offensive conduct. Concessionaire shall forthwith take all steps necessary to eliminate any such conditions complained of;

(f) Neither Concessionaire nor any of its agents, employees or representatives shall conduct, transact, or otherwise carry on any business or service that is not specifically authorized under the terms of this agreement;

(g) Baggage cart vending islands shall be maintained in good repair and operational and available for public use twenty-four (24) hours daily;

(h) Concessionaire shall furnish all services authorized under this concession agreement on a fair, equal and nondiscriminatory basis to all persons or users thereof, charging a fair, reasonable and nondiscriminatory price for all services which it is authorized to perform or render at the airport.

Such price is to be consistent with the charge made for this type of service at other major hubs in the United States and shall not be raised without consultation with and approval by the Commissioner of Aviation concerning market justification for the increase;

(i) Concessionaire shall require its responsible agents, employees, and representatives on duty during the various shifts to make regular daily inspection of the assigned areas for the purpose of maintaining the degree of cleanliness, condition of repair, and operational ability of said premises and the equipment thereon. Such authorized representatives shall have the right, at reasonable business hours, to examine and audit the books, ledgers, journals, accounts and records of Concessionaire.

Section 11. *Termination by City.*

(a) City shall have the right to terminate this concessionaire agreement in its entirety and all rights ensuing therefrom upon thirty (30) days written notice if any one or more of the following events occur:

1. Concessionaire shall fail duly and punctually to pay, on or before the fifteenth (15th) day of each month, the fees and compensation provided under Section 4 above, after thirty (30) day written notice to correct the condition objected to;

The provisions herein with reference to the time within which to cure or remedy any default shall not be applicable to, nor enlarge the time contained in, Section 14 below set out with reference to insurance coverage;

Section 12. *Rights Reserved to City.* Notwithstanding any provisions herein elsewhere to the contrary, City reserves the right to:

In addition to Concessionaire's undertaking, as hereinabove stated in this Section 13, and as a means of further protecting City, its officers, agents and employees and the Board of Airport Commissioners, Concessionaire shall at all times during the term hereof carry the insurance coverages provided under Section 14 hereof.

provided, however, that the foregoing shall not permit the conduct by Airline of any business separate from its operation of an air transportation system; and further provided, that the rights conferred under this Article I may be exercised by Airline alone or in conjunction with other Airline Parties, directly or through another designated by it or them.

Section 1.02. Ingress and egress. Right to connect utilities. Subject to rules and regulations promulgated by City in accordance with Article VI hereof, Airline shall have the right and privilege over the Airport of ingress to and egress from the demised premises for its employees, agents, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, and its or their aircraft, equipment, vehicles, machinery and other property, including the right to construct, install, maintain, use and operate facilities and equipment on the Airport for the purpose of connecting the demised premises with taxiways, roadways, water lines, sewer lines, drainage ditches and utility lines serving the demised premises, any such connection to be at a point and over a route approved by the Commissioner of Public Works or other official having charge of the Airport, as being the most practical place and route available. Airline shall pay all charges for electric power furnished to the demised premises. Except as in this Lease or in any other agreement between City and Airline otherwise specifically provided, no charges, fees or tolls of any nature, direct or indirect, shall be imposed by City upon Airline, its employees, agents, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, for such right of ingress and egress, including such connections, or for the privilege of purchasing, selling or using for a purpose herein permitted any materials or services purchased or otherwise obtained by Airline, or transporting, loading, unloading or handling property, cargo, or mail in connection with Airline's business or exercising any right or privilege granted by City hereunder. The foregoing shall not preclude City or its concessionaires from making and collecting a charge for the use of public automobile parking areas, sightseeing facilities or ground transportation to or from the Airport furnished by City or its concessionaires, or preclude City from imposing any sales, occupation or other taxes provided by law, permit or license fee not inconsistent with the rights and privileges granted to Airline hereunder.

Airline shall have the right to purchase or otherwise obtain property and services of any nature from any suppliers of its choice.

Section 1.03. Use of premises on behalf of or by others. Any of the premises leased to Airline under this Article I may also be used, in whole or in part, by Airline on behalf of or on conjunction with any other Airline Party or Parties in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. In case of any use of any of such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises in accordance with the foregoing provisions, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall be granted with respect to such premises (except as may be otherwise provided in any such sublease) to such other Airline Party or Parties or sublessee or sublessees, as the case may be, and its or their employees, agents, guests, patrons, invitees, suppliers of materials and furnishers of service.

ARTICLE II

Term

The term of this Lease shall be for any initial period of five (5) years commencing on ...., of authorizing ordinance of the City Council and terminating on ....; subject, however to an option by City, at the discretion of the Commissioner of Aviation in meeting the operational requirements of the Airport, for an additional five (5) years, commencing immediately upon the expiration of the initial term. Said Commissioner, by certified mail, shall so notify Airline prior to the beginning of the fourth year of the initial term that City either desires or does not wish to exercise the aforementioned option.

The same terms and conditions as those provided herein shall prevail during the option period except for the increased rental set forth hereinbelow.

ARTICLE III

Rental

Airline shall pay to City at the office of the City Comptroller (hereinafter referred to as "Comptroller") for said demised premises, ground rental in equal monthly installments, in advance, on the first day of each month of the initial term of this Lease, at the rate of Thirty-Six Thousand Seven Hundred Fifty and No/100 Dollars ($36,750.00) per year and building and additional site improvement rental at the rate of Ninety-Two Thousand Four Hundred and No/100 Dollars ($92,400.00) per year.

During the five (5) year option period, Airline shall pay City in the same manner as immediately hereinabove set forth, ground rental at the rate of Forty Four Thousand One Hundred and No/100 Dollars ($44,100.00) per year and building and additional site improvement rental at the rate of One Hundred One Thousand Six Hundred Forty and No/100 Dollars ($101,640.00) per year.

Any rental payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven per cent (7%) per annum from the due date thereof until paid. If any rental hereunder terminates prior to the last day of any month, such rental for such month shall be determined on a pro rata basis according to the number of days of such month involved.

ARTICLE IV

Construction, Maintenance and Repair

Section 4.01. Construction, maintenance and repair by Airline. Any construction or installation or the demised premises by Airline must be done at its own expense and only after receiving formal approval of the concept in writing by the Commissioner of Aviation. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Subject to the provisions of Section 4.01 and Article VIII hereof, Airline shall keep and maintain all buildings, improvements and facilities, and additions thereto, in good condition and repair. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with construction, installation, alteration, repair or maintenance by Airline on the demised premises. All buildings and permanent improvements constructed by Airline on the demised premises shall become the property of City upon completion of construction thereof.

Notwithstanding the foregoing, Airline shall, after completion of the construction provided for by Section 4.01 hereof, keep the demised premises and all construction and installations made thereon in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Section 4.02. Lighting. Airline shall keep the apron in front of the cargo building on the demised premises illuminated with flood lights and operate such obstruction lights or warning lights on structures in or constituting part of the demised premises as may from time to time be required to conform to Federal Aviation Administration standards or those of any other governmental agency having jurisdiction.

Section. 4.03. Covenant against liens. Airline shall keep the demised premises and the buildings, improvements and facilities constructed thereon free and clear of any and all liens in any way arising out of the action, or use thereof, by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.04. Performance by City upon failure of Airline to maintain. In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by Sections 4.01., 4.02., and 4.03., hereof to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

ARTICLE V

Performance by City

Section 5.01. Maintenance and operation. City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair (including the removal of snow, vegetation, stones and other foreign matter as reasonably as may be done, from taxiways, connections therefrom and roadways) all taxiways, connections therefrom, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities and equipment now or hereafter provided by City serving the demised premises but located outside the demised premises.

Section 5.02. Taxes on demised premises. City shall pay any and all taxes or special assessments, if any, which may be levied or assessed upon the demised premises; provided, however, that the foregoing shall not apply to taxes on any personal property or leasehold of Airline located on the demised premises.

Section 5.03. Exclusive Possession. City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the exclusive possession and enjoyment of the premises, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

ARTICLE VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect thereto, nor inconsistent with the procedures prescribed or approved from time to time by the Civil Aeronautics Administration or any other governmental authority having jurisdiction over operations at the Airport.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

ARTICLE VII

Exercise by City of Governmental Functions

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

ARTICLE VIII

Abatement

Airline shall not be obligated to operate the demised premises or to pay rent therefor during any time when all of the demised premises shall be untenable as determined solely by the Commissioner of Aviation, through no fault or negligence of Airline, its employees and agents. In the event the demised premises are partially untenable as determined solely by the Commissioner of Aviation, through no fault or negligence of Airline, its employees and agents, Airline shall not be obligated to operate such part of the demised premises and the minimum rent shall be proportionately and equitably abated. In the event that the Airport shall be closed for any period of time by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the rental shall abate for the period of such closing.

ARTICLE IX

Insurance

Airline, at the expense of Airline, shall keep in force, during the term of this Lease, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by Comptroller for the protection of City and/or Airline. Insurance requirements hereunder shall be subject to the sole determination of Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of Comptroller. All policies or endorsements thereto shall in all cases where possible name City as co-insured thereunder.

Upon determination by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Airline shall deliver all policy originals or duplicate originals and endorsements thereto or certificates showing such insurance to be in effect to Comptroller.

In any event, Airline is not to commence to exercise any of the rights and privileges granted under this Lease until such time as all insurance directed and required to be furnished by Airline is in full force and effect.

Airline expressly understands and agrees that any insurance protection furnished by Airline hereunder shall in no way limit its responsibility to indemnify and save harmless City under the provisions of this Lease.

In the event the building to be constructed upon the demised premises shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by City at its expense from, after and only to the extent of insurance proceeds received by City therefor, but City shall not be obligated to repair or rebuild any fixtures, equipment and other personal property installed by Airline pursuant to this Lease .

ARTICLE X

Indemnity

City shall not be liable to Airline, or to Airline's agents, representatives or employees for any injury to, or death of any of them or of any other person or for any damage to any of Airline's property or loss of revenue, caused by any third persons in the maintenance, construction or operation of said O'Hare Airport, its appurtenances, facilities and equipment, or caused by any third persons using said Airport or its appurtenances, facilities and equipment, or navigating any aircraft on or over said Airport, whether such injury, death or damage is due to negligence or otherwise. Third persons as used herein shall include the United States of America, State of Illinois or any of their agencies and all persons other than the City of Chicago.

Except as to the demised premises the City reserves the right to regulate, police, and further develop, improve, reconstruct, modify, or otherwise alter said O'Hare Airport and any portion in such manner as City sees fit, regardless of the desires or views of the Airline.

Airline shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the City, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of Airline, or any of its agents or employees.

City shall not be liable to Airline for damage to property of Airline or any loss of revenues to Airline resulting from City's acts, omission or neglect in the maintenance and operation of the Airport facilities.

No waiver by City of default of any of the terms, covenants or conditions hereof to be performed, kept and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE XI

Recovery of Possession by City

If Airline shall vacate or abandon the demised premises or in case of the termination of this Lease, Airline's right to the possession of the demised premises shall terminate, with or without any further notice or demand whatsoever, and the mere retention of possession thereafter by Airline shall constitute a forcible detainer of said premises, and upon the termination of Airline's right of possession, as aforesaid, Airline agrees to surrender its possession of said premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of said premises whatsoever, and hereby grants to City full and free license to enter into and upon said premises, or any part thereof, to take possession thereof, as against Airline and other claiming through it, with or without process of law, and to expel and remove Airline and any other person claiming through it who may be occupying said premises, or any part thereof, and City may use such force in and about so expelling and removing Airline and said other person as may reasonably be necessary, and City may, as against Airline and others claiming through it, repossess itself of said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise herein contained to be performed by Airline.

Airline hereby waives all notice of any election made by City under this Lease, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever of any and every nature which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the term of this Lease; provided, however, the foregoing shall not apply to any notice specifically required under the provisions of this Lease. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Airline or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of any right hereby given City, or as an election not to proceed under the provisions of this Lease.

The obligation of Airline to pay the rent reserved hereby shall not be deemed to be waived, released or terminated, by the service of any five-day notice, other notice to collect, demand for possession, or notice by City that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts, other than termination of this Lease, resulting in the termination of Airline's right to possession of the demised premises. City may collect and receive any rent due from Airline, and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which City may have by virtue hereof.

ARTICLE XII

Termination by Airline

Airline may terminate this Lease and any or all of its obligations hereunder at any time that Airline is not in default in the payment of any amount due from it to City hereunder by giving City sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The failure or refusal of the Civil Aeronautics Board or other competent governmental authority to approve all weather operations into and from the Airport of aircraft of any type operated by Airline in scheduled air transportation using facilities similar to those at the Airport and continuance thereof for a period of at least sixty (60) days.

(b) The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof so to substantially affect Airline's use of the Airport in its conduct of and air transportation system and the remaining in force of such injunction, not stayed by way of appeal or otherwise, for a period of at least sixty (60) days.

(c) The issuance of any order, rule or regulation or the taking of any action by the Civil Aeronautics Board or the Federal Aviation Administration or other competent government authority, or the occurrence of any fire, other casualty, act of God or the public enemy, substantially affecting, for a period of at least sixty (60) days, Airline's use of the Airport in its conduct of an air transportation system; provided, however, that none of the foregoing is due to any fault of Airline.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part theerof, and the failure of City to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy the same.

(e) The substantial restriction of City's operation of the Airport by action of the Federal Government, or any department or agency thereof, under its wartime or emergency powers, or by action of the State of Illinois, or any department or agency thereof, and continuance thereof for a period of not less than sixty (60) days, provided such restriction adversely affects Airline's operations at the Airport.

(f) The coming into effect of any treaty, convention or agreement or amendment thereto, which shall have the effect of eliminating authority to land at the Airport from the routes which may be operated by Airlines designated by the Government of The Netherlands.

(g) The effective date of any permit granted by the Civil Aeronautics Board to any other carrier designated by the Government of The Netherlands in lieu of Airline.

(h) The termination or expiration of the Air Transport Agreement between the Government of the United States and the Government of The Netherlands signed 3rd Day of April, 1957, as amended provided, however, that if prior to the occurrence of the event specified in clause (c) of this Article, the operation of the foreign air transportation to Chicago authorized in such Air Transport Agreement and related Civil Aeronautics Board permit is authorized by any treaty, convention or agreement to which the United States and The Netherlands are or shall become parties, then and in that event, Airline shall not have the right of termination by reason of such clause.

(i) Any action or failure to act by the United States or any Board or agency thereof, or by the Government of The Netherlands, or any Board or agency thereof which shall constitute or result in the cancellation or loss of Airlines' right to operate into the Airport.

Upon the exercise of this right of termination, all agreements and leases entered into between Airline and City relating to this Airport shall likewise stand terminated.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE XII-A

Termination by City or Airline

In addition to any other termination rights provided in this Lease:

(a) City may terminate this Lease and any or all of its obligations hereunder, effective at the end of any fiscal year during the term hereof, by giving Airline thirty (30) days notice of such termination; and

(b) Airline may terminate this Lease and any or all of its obligations hereunder, effective at the end of any fiscal year during the term hereof, by giving City thirty (30) days notice of such termination.

ARTICLE XIII

Surrender of Possession

Upon termination of this Lease, Airline shall surrender the demised premises and the buildings and improvements situated thereon, in good condition and repair, reasonable wear and tear and damage by fire, other casualty, act of God or the public enemy excepted.

ARTICLE XIV

Right of Airline to Remove Property

Airline shall be entitled during the term of this Lease, and for a reasonable time (not exceeding forty-five days) after its termination, to remove from the premises involved, or any part thereof, all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Lease, subject, however, to any valid lien City may have thereon for unpaid rentals or other amounts, payable by Airline to City hereunder or under any other agreement between City and Airline relating to the Airport or any part thereof, and provided that Airline shall have repaired all damage resulting from such removal.

ARTICLE XV

Assignment or Sublease

Airline covenants not to assign, transfer, mortgage, or pledge this Lease or the leasehold interest created therein, nor to sublet, license, or permit the use of the premises of any part thereof, without the consent in writing of City first had and obtained, nor permit any transfer by operation of law of its interest created thereby. Any such assignment, transfer, mortgage, pledge, sublease, license or permission when and if approved shall be in writing and promptly upon execution thereof, Airline shall furnish two (2) copies to City for its files.

In the event an assignment, sublease, license or permit to use the aforesaid premises, or any part thereof, is approved by City, under no circumstances shall the income derived by Airline therefrom exceed the amount of a proportionate share of Airline's obligations and expenses, under the terms of this Lease. City expressly reserves the right to assess an extra charge against any approved assignee, sublessee, licensee or permittee hereunder.

It is expressly understood and agreed that the only activity which Airline may conduct on or from the demised premises, directly or indirectly, alone or through others, is only as authorized under the terms of this Lease.

This Lease does not constitute either party the agent or representative of the other for any reason whatsoever.

City covenants that Airline shall and may peaceably and quietly have, hold and enjoy the premises or space leased exclusively to it during the term of letting thereof unless such term shall cease, close or expire sooner or shall be terminated as provided in this instrument.

ARTICLE XVI

Non-Recording

This Lease shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Airline or any one acting for Airline and that if the same be so filed, this Lease and each and every provision hereof shall, at the option of City, be and become absolutely null and void and City may declare such filing a breach of this Lease.

ARTICLE XVII

Notices

Notices to the Landlord provided for herein shall be sent by registered or certified United States mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago, Illinois 60602, and notices to Airline provided for herein shall be sent by registered or certified United States mail, postage prepaid, addressed to Airline, 437 Madison Avenue, New York, New York 10022, or in either case to such other respective parties and addresses as the parties hereto may designate in writing from time to time, and such notices shall be deemed to have been given when so sent.

This Lease consisting of Articles numbered I to XVII inclusive and exhibit lettered A constitutes the entire Agreement between the parties, and no warranties, inducements, considerations, promises or other inferences shall be implied or impressed upon such Agreement that are not set forth herein at length.

Execution of this Agreement authorized by ordinance of the City Council of the City of Chicago passed .... (C.J.P. pp. ....) which date shall be the commencement date of the term hereof.

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

This Agreement made this .... day of .... A.D. ...., between the City of Chicago, a municipal corporation of the State of Illinois and Tenant from the Public Building Commission of Chicago (hereinafter called "Landlord") and Robert H. Wagner d/b/a Wagner Charter Company, an individual proprietorship (hereinafter called "Tenant").

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Navy Pier, foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier", a plat of said Pier being attached hereto.

This Agreement shall consist of two parts:

Part I — General Conditions

Part II — Special Conditions numbered 1 to 7

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other references, shall be implied or impressed upon such agreement that are not set forth herein at length.

PART I—GENERAL CONDITIONS

Article I

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal/State Statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois, or political subdivisions thereof, relative to the development, construction, operation or maintenance of the Pier, the execution of which has been or may be required as a condition precedent to the expenditure of Federal, State or other public funds for the development, construction, operation or maintenance of said Pier.

(b) The right of Landlord to further develop, improve, maintain, modify and repair Pier, the facilities therein and the roadways and approaches thereto, as it sees fit, regardless of the desires or views of the Tenant and without interference or hindrance by the Tenant.

Article II

The Tenant shall not, without prior approval of Landlord, assign or transfer this agreement nor any share, part or interest therein, nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Pier with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Pier and facilities located thereon, be they demised to the others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Navy Pier, Foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier", a plat of said Pier being attached hereto.

Part I—General Conditions.

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other references, shall be implied or impressed upon such agreement that are not set forth herein at length.

PART 1—GENERAL CONDITIONS

Article I

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal/State Statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois, or political subdivisions thereof, relative to the development, construction, operation or maintenance of the Pier, the execution of which has been or may be required as a condition precedent to the expenditure of Federal, State or other public funds for the development, construction, operation or maintenance of said Pier.

Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concening other business activities at Pier, with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Pier and facilities located thereon, be they demised to the others or under the control of Landlord, is as authorized under the terms of this agreement.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint ventures between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Tenant shall not attach, affix or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Public Works (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall restore and yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Pier and shall indemnify, defend and save harmless the Landlord, the Public Building Commission of Chicago, their authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Public Building Commission of Chicago, Tenant, or any of their agents or employees.

Neither landlord, nor the Public Building Commission of Chicago shall be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from their acts, omissions or neglect in the maintenance and operation of the Pier facilities.

Article VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements, thereto shall in all cases where possible name Landlord and the Public Building Commission of Chicago as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Pier who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statue, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after its falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

Article XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

Article XVI

Tenant, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this contract.

The appropriate officers of the City are hereby ordered and directed to make such payments.

Section 8. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for City of Chicago General Obligation Term Notes, Series 1980", said account (the "Escrow Account") to be maintained with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled Escrow Agreement (General Obligation Term Notes, Series 1980) (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

In the event proceeds of taxes hereby levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other funds of the City that are available for that purpose in advancement of the collection of the taxes herein levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

Section 7. The City shall appropriate annually amounts sufficient to pay principal of and interest on the Notes, but, if in any year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided in the Term Loan Agreement without any further action on the part of the City Council. Section 10. Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying the principal of and interest on the Notes. The levy made in this Ordinance shall be for the sole benefit of the holders of the Notes and said holders have a claim against said levy and shall have a first and prior lien upon (i) all present and future proceeds of the levy of taxes for the Notes and (ii) Pledged Revenues, if any, but only after such proceeds or Pledged Revenues are deposited in the Escrow Account and only until the Notes are paid in full or until such proceeds or Pledged Revenues are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement.
